

**Market to the
Converted!**

The SMS Promotions form allows users to create promotional SMS messages which can be automatically sent to selected Members of the venue.

**Reduce Marketing
Costs**

This feature allows the venue to build a list of applicable members based on sales of selected products, member category or targeted members. For example, a free wine offer could be sent to all of the members who have purchased selected bottles of wine in the venue last month.

Event Promotions

Need to fill your venue? Promote your events using SMS Member marketing. eg End of Month member draws, lunch specials, happy hours.
